FOREGENIX

My website is blocking your Secure Seal traffic, which IP addresses should I whitelist

Dimitris Kamenopoulos - 2020-04-23 - Comments (0) - Secure Seal

For incoming traffic you need to whitelist 54.246.153.50, 54.77.226.20 and 52.16.84.238.

For outgoing traffic you need to whitelist traffic to portal.foregenix.com, TCP port 443.
